Yearbook Staff 2005

Ms. Elaine Ventura
Staff Advisor

Brian Riopelle
Editor in Chief

It has been an honor to be the yearbook advisor this year and to have the opportunity to witness the incredible cohesiveness that Methuen High School had to offer the embodiment of its staff and students. Our main objective in designing this yearbook was to capture moments of time and to create impressions that you could reflect back to with great joy. As you turn each page of this book, I hope you will be able to smile with pride in the relationships and friendships that were developed this year. Thank you for allowing us to enter your world and for giving us permission to share Methuen High School 2004-2005 incredible story with so many people. For those seniors moving on to a new road to travel, I wish you nothing but the best during your journey of unknowns.

With admiration,
MS. Ventura

On November 24, at 6 am, the Seniors of Methuen High School converged on the parking lot of KISS 108 FM in Medford, MA. They fought the bitter cold and lack of sleep outnumbering the 12 other schools. Seniors Matt Alaimo and Matt McLean tossed and caught the frozen 12 lb turkey over 50 feet to bring home the trophy for the Rangers. The celebration continued from the parking lot to the school with the 170 students running victory laps around the halls, culminating with a gathering in Mr. Gearen's room.

Toss Champs!

1 Thrower Matt Alaimo, holding the trophy and catcher Matt McLean, holding the turkey,posed with former New England Patriot Andre Tippett and sportscaster Bob Lobel.

2 Senior Class Advisor Mrs. McLaughlin and Guidance Counselor Mr. Brain braved the cold to be with us at this event.

3 Rossi Sevilla shows her excitement following the trophy presentation.

4 Caitlin Nackley's showing everybody who's boss after they announced we won. 5 Kerri Bennet shows off her Ranger Pride with Natile Ferreira

6 Kate Harrington shows us her pearly whites with friend Cara Rossi before the Turkey Toss

What's That
It's Antarctica! No, wait, it's just an igloo in Methuen High School. The seniors really pushed the envelope this year by creating alot of their decorations.

Below:
Cara Rossi and Jil Sapienza take a break from the action to pose for a picture. I didn't think anybody would be this awake at 6:15 in the morning!

Deck the Halls

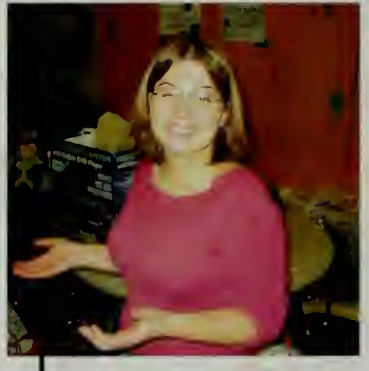
Methuen High School continued its annual holiday tradition of the Deck the Halls competition. The Class of 2005 had a lot to live up to; their worst showing was their freshman and sophomore years placing second. Last year, the Class of 2005 had their best showing ever, beating the seniors at their own game by taking first place. This year, the seniors had their title to defend. Waking up at the crack of dawn for a week straight, the seniors created the best hallway decorations to ever grace the halls of Methuen High. Congratulations to the Class of 2005 for a job well done.

Christina Bergamini

"What's wrong with my picture? Absolutely nothing because I'm having a good time."

Keil Servideo

"That's the last straw. I'll stay here all night and do it all myself if I have to."



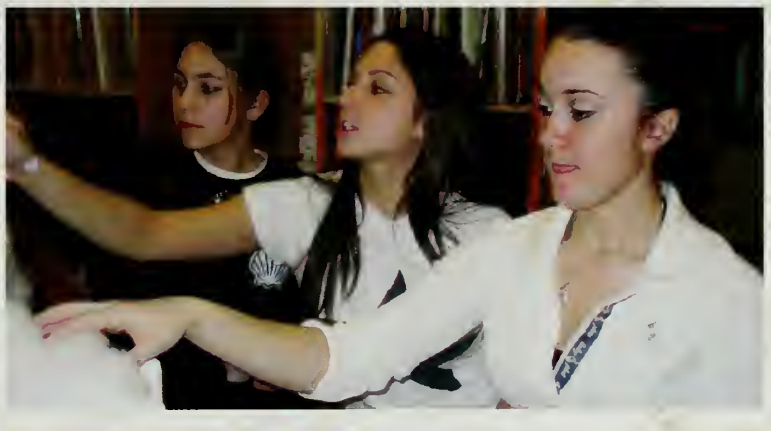
Juliann Palazzo

"How am I supposed to be able to find that strand of lights you want?"

"What am I supposed to be doing?!"

Far Left:
Tiesha Nieves is busy setting up the Quanza section of our hall.

Left:
If it weren't for those coffees they are holding, Ryan Nault and Amanda Silva would not look awake.

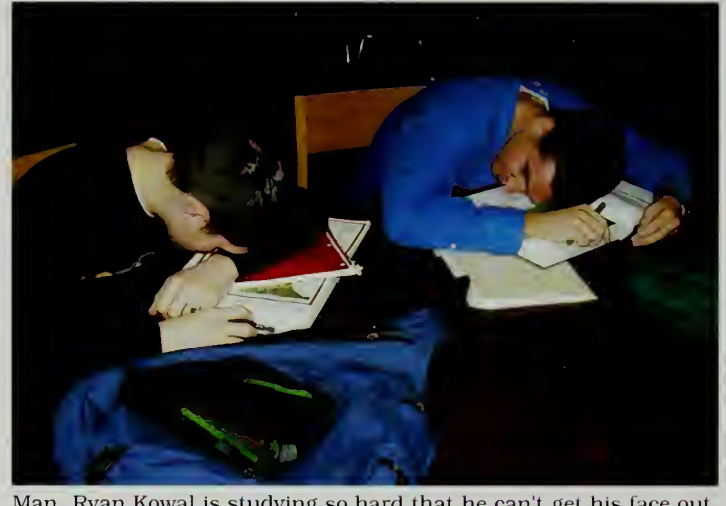


Top: Christa La Charite, Evelyn Gagnon and Natile Ferreira work on the igloo.

Left: Adam Aliano helps lead the charge as he untangles a strand of lights.

I guess there's a new activity in gym. I guess matt ball wasn't holding their interest.

So much for asking for help in the Guidance Office. As you can see, the interns are of no help.



Man, Ryan Kowal is studying so hard that he can't get his face out of the books!

A recents study reveals that the average student sleeps for an average of 30 minutes every school day

Study Shocks Educators

A recent study conducted by Northern Essex Community College reveals that the average student sleeps for 30 minutes a day while in school. This shocks Methuen High Staff and faculty who rarely catch students sleeping in their classes. "This can't be true. I've never caught a student sleeping in any of my classes," said a teacher who wished to remain anonymous.

The study also shocked the students as well. "I've never slept at all during a class in my entire high school career," said senior Brian Riopelle. "We don't know what they're talking about."

This article was completely fabricated for a good laugh and does not reflect the opinions of Methuen High School's faculty or students.

I guess he couldn't get enough last night, so he decided to catch up on some z's in media production.

There's nothing like being an intern!

College and Careers is such a difficult class. I have no idea why anybody would want to take it.

Senior Sasha Witkowski is learning a new method to solving the quadratic formula.

Oh man, look what happens when you rush at the last second to get your college applications into your Guidance Counselor. Don't let this happen to you!

Is media production really that interesting? Or is it that you've worked yourself so hard that you just passed out?

Senior Dave Howard didn't want to end the game of matt ball he had started so he decided to start a sit in on the basketball court. It doesn't look much like a sit in to me, but hey, I'm not the one doing it.

Something to Look Forward To

Ranger Football fans witnessed a difficult season for the team this year as they went 0-10. This season isn't a reflection of their hard work and dedication to the team. This was a rebuilding year for the team, and they are looking towards the future. "The team is physically stronger this year. We're building the foundation for the program in the future," said Captain Roger Perreault.

"It was really a good season overall, even if our record doesn't show it." The football team has a lot to look forward to next year with juniors George Abourizk and Mike Jozokos being named to the second All Conference team. Seniors Kevin Demaria and Ryan Dugan and junior Corey Murray received All Conference Honorable Mentions.

Field Hockey

The Best Season in School History

The field hockey team had the best season in the programs history making all the way to the third round of the state tournament. The team, led by captains Natasha Nader, Kacey Barker, Rebecca Curry and Lisa Pak, finished off the regular season with a record of 11-3-3. "The camaraderie on the team was like no other team I've ever been on," said Natasha Nader. The roster had 14 seniors on it this year, which played a part in the success of the team. This season was not only a winning season, it was also a memorable one.

The Lady Rangers had an excellent season, making it all the way to the third round of the State Tournament.

Nothing will stop her now. Don't get in her way, because she'll go right through you!

The roster this year was dominated by the 14 seniors that occupied it. Last year, the team lost 11 seniors. This year, they're loosing 14. Although they are loosing alot of seniors, they are still expected to do well next year.

Boy's Soccer

The Whole Team Came Together

The Boys Soccer Team finished off the season with a disappointing 4-13-3 record. The team lost senior goalkeeper Brian Riopelle half way through the season. Senior Captain Keil Servideo asserts his frustration, "When you lose any teammate it's difficult, but when you lose a goalie, it just throws the whole team off. With Brian being injured, the whole team really pulled together." The program is looking for Junior Captain Guillermo Cisneros, who was named to the MVC All Conference squad, to lead the charge next year.

The team anxiously watches from the sidelines.

Girl's Soccer

A season of memories

The lady Rangers soccer team finished the season with a record of 5-13-0. Although the season was a disappointment for the program, they're looking towards the future. Senior tri-captain Kerri Bennett best described the season. "This year we were faced with multiple challenges, and with each one, I saw how our team grew together one step at a time. It was a learning year for all of us, yet we seemed to pull through it. We still found ways to keep our heads up, despite the disappointing record. It was this that became the best part of the season, because no matter what we were put through, I still had my teammates to fall back on. We became closer with not just those of our grade, but the entire team, and that is what you need to make it worthwhile."

A Job Well Done

Despite their losing record, the Lady Rangers were an excellent team. The tri-captains, Jen Marino, Kerri Bennett and Cait Burke, have been starting varsity players since freshman year. The camaraderie on the team was unsurpassed. The girls really came together, despite their adversity.

Cross Country

The Boys Cross Country team continued its legacy of success this fall, winning the Merrimack Valley Conference Dual Meet, placing third at the Eastern Massachusetts Regional Meet, and placing fifth at the State Meet. Their number one runner and co-captain Mike Miranda, along with seniors Greg Tessitore, Ryan Kowal, and Tom Miner, who was also a co-captain, led Methuen. The start of the season was difficult for the boys, having to overcome the loss of some key team members who graduated last year. As Tom Miner said, "When push came to shove, we won the MVC meet, and took fifth place in the State Meet." Congratulations to the Boys Cross Country team for never giving up on themselves and persevering to have yet another memorable season.

NATIONAL

Team Wins Merrimack Valley Conferenc

The Cheerleading Team lead by senior captains Brittany Dohrety, Samantha Monroe and Amanda Nicholson started off their season in November at the Merrimack Valley Championship. They took first place in the MVC and from there, they went onto the state competition, placing first overall. They continued onto the National Championships held in Providence, Rhode Island. Although the competition was fierce, the squad held their ground and had a flawless routine. That flawless routine not only gave them the national title, but also they were crowned the Grand National Champions, scoring the highest score out of all the other squads in the country, adding an exclamation point to an already amazing season.

Making a Splash

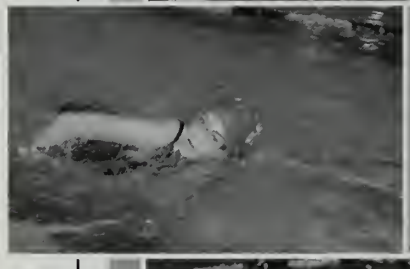
An amazing season from everyone

The Varsity Swimming and Diving Team completed a very successfully season, finishing 6-5 overall and winning the regular season MVC II title. Their campaign was capped off by a ninth place finish in both the Massachusetts North Sectionals, as well as Division I State Championships. Individually, the year was highlighted by freshman sensation Laura Moriarty. She set six individual school records and was part of two record setting relays. Teammates Brice Bleem, Mary Gormley, and Kristin Letourneau joined Laura on those outstanding relay teams. Moriarty capped off her inaugural season as a Ranger by winning both the North Sectional and Division I State titles in the 100-yard breaststroke. She also finished second in the state meet in the 100-yard butterfly. Laura was honored by the Eagle Tribune, the Boston Globe, and the Boston Herald for her accomplishments.

Also, diver Meghan Kijanka had another great year and finished tenth at the state meet. The Lady Rangers, who finished 2-8 last season, rebounded this season and were led by senior captains Bleem, Cara Rossi, and Katie Kelly. Senior leadership was also provided by Danielle Augeri, Sara Lefman, Kate Harrington, Jennifer Finley, Rebecca Finley, and Kristen Rourke. Key wins came against Dracut, Notre Dame, Billerica, St. Peter Marian, Cambridge Rindge & Latin, and Lowell. For their efforts, head coach Jason Smith was named coach of the year by both the conference and the Eagle Tribune.

The team looks to carry their success into next season when they will be led by new captains Mary Gormley, Kristin Letourneau, and Christine Loughlin.

Improvements All Around



One stroke at a time the swim team improved. Their overall record was 6-5-0.

"It was my first year doing it, and I honestly thought it would be easy at the beginning but it definitely wasn't. it was wicked fun though, everyone got along and we acted like a huge family."

Girls Volleyball

Giving meaning to the word TEAM

The Volleyball Team had a great season this year. The girls started strong under the leadership of captains Lindsey Guselli, Carissa Gauthier, and Stephanie Iannalfo. The season reached its peak at a mach verses Central Catholic, the team's biggest rival. Everybody played outstanding that game, diving for balls and winning long rallies.

"Girls, we'll miss you like crazy next year! Goodluck, play hard, we love you!"

- The Seniors <3

Despite many midseason injuries and setbacks, the team toughed it out and finished strong. They worked well together to achieve goals and loved each other like family. These girls gave meaning to the word team.

Saying Goodbye

Despite the disappointing record of the Methuen High 2004-2005 basketball team, there were several exciting games. The team was in almost every game battling hard to the very end. The most exciting game of the season was playing Andover at home. The crowd was really into the game. The fans had the Larry Klimas Fieldhouse rock'n the loudest in our four years at Methuen High. Unfortunately the game ended with Methuen losing by one in the final minute of the game. Probably the most memorable moment of the season was getting Coach Jim Weymouth a final win on the night he announced his retirement as head basketball coach at Methuen High. No one will forget Keith Kupiec in bounding the ball to J. T. Waldie with 5.5 seconds left in the game. J. T. Waldie did a double-pump scoop and banked in the final hoop to beat North Andover 54-53 as time expired. A thrilling way to end a season and a great send off for Coach Weymouth.

The gymnastics team had an outstanding season this year! The girls worked extremely hard alongside their supportive and encouraging coaches Robin Corsetto and Fran Molesso. The hard work paid off with the highest team scores the team has seen in five years, along with a third place finish at the MVC Meet. Essential freshman came together with the returning team members to form the best team Methuen High has seen in years. These girls were very successful this year, thanks to the hard work and dedication of all the girls, and the enthusiasm of Coach Mo.

Figure Skating

This season for the Figure Skating Team was one both of tradition and change. As a whole, the team made "leaps and bounds" on and off the ice. The team for the first time had a uniform, which is a step in the right direction for the program. The highlight of their season was getting to skate with the Boston College Figure Skating team.

Caitlin,

It's hard to believe four years of high school have passed so quickly. It seems like only yesterday that we looked forward to your first day of school with excitement and apprehension, and it's with joy and sadness that we anticipate your last few.

You came into this world kicking and screaming with pink cheeks and a head full of dark hair. You were a beautiful baby that grew into a toddler with boundless energy and endless questions. During your first dance recital you fell asleep on stage. You cooked real food in your play kitchen. Cartwheels and songs were performed in the outfield during softball season, and you cried when asked to step onto the soccer field and play.

Tears were shed on every first day of school. Reluctantly you would let go of my hand and say goodbye. My shy little girl became an independent young woman. Soon friends became your priority, an interest in boys developed, gymnastics and soccer kept you busy.

Your high school days have been full of many accomplishments and milestones. The memories are numerous. So don't be sad as one journey is ending; smile another is about to begin. We are very proud of you.

Love,
Mom and Dad

We love you very much and are confident in your abilities to make good decisions for yourself and your future. It has only just begun! Ask Any Girl!

We are so very proud of you! Reach for the stars!
